ALUMNI LIVING FOREVER

No man stands alone. Through all the centuries of recorded time, men have set into motion influences that affect your life today. . .

Living in you now are the ideals of the ragged soldiers of Valley Forge, the gallant Pilgrims, the daring explorers and pioneers, the fighters for freedom through all history. . .

On a more intimate note, your mother, father, teacher, clergymen, friends, have built their influences into your character. . .

As you throw the weight of your influence on the side of the good, the true and the beautiful, your life will go on in others, bigger, finer, nobler, than you ever dared to be. . .
